- **COVID TESTING**

    a. We will have to do weekly testing as of now for this year on Mondays.
    b. That starts this Monday 11/15.
    c. Please see attached letter.
    d. Please attach Kasey Kavanagh on the email that is sent out for any questions regarding this matter.

- **Season is fast approaching and we could use a few key volunteers:**

    a. Snack Shack Coordinator (good job for a JV or Varsity parent)
    b. Varsity Team Coordinator (I take care of most stuff for varsity, but we need someone to train for next year!, Good job for one of our younger varsity player parents)
    c. Co-Coordinator for VIP Terrace (We need someone to train for next year)
    d. Awards banquet coordinator (It will be here before you know it)

I am happy to have one on one conversations with individuals that can help out with these opportunities

We also still need a team coordinator for the Freshman Gold team

I will also be posting a sign up for help with the freshman tournament in December.

Other than that lets play basketball !!!!!!

Thanks,

Keith Wilkinson
