

JERSEY NIGHT

March 28, 2023

Dear Parents / Guardians:

Welcome to the 2023 Sayreville Bombers Baseball season. We hope you are as excited as we are to see the boys back out there doing what they love. My name is Mike Romanello, and I am President of the Sayreville Bombers Baseball Booster Club. We support Coach Novak and his staff with fundraising and all off field activities.

The Booster Club, which is entirely operated by the dedication of volunteers, has been proudly supporting our baseball teams on all levels since 1988. As the 2023 season is upon us, we look forward to working with all our Bomber players, coaches, and families to have another successful year.

All the money raised from our various fundraisers goes directly to benefit the players. In the past years, we have been able to give out scholarships to the graduating seniors, host a year end banquet, provide an end of year gift, and buy much needed equipment for the teams. I want to emphasize, all we do for our players / your sons, is due to funds made available through the efforts of the kids, parents, and Booster Club when it comes to fundraising.

We have several fundraisers planned and are always looking for volunteers. If you are interested in volunteering and supporting our efforts, please email us @ sayrevillebombersbaseball@gmail.com.
