2023 Football Season – Program Ad Fundraising

Dear Irvine High School Football Community Partner:

We are excited to start preparing for another football season at Irvine High School! And with that, we would like to thank the many businesses in our community who have so generously supported Irvine Football over the course of many years. As we know, in the current economy, money to support this and other programs at Irvine High School has become very tight. These realities have put strains on the funding we receive to run a first-class football program.

We ask for your consideration to support our players by placing an ad in our game program or by purchasing a banner to be displayed during our home games for the 2023 football season. Attached you will find all the information necessary to place your order.

Each year we typically have at least five home games at Irvine Stadium. Your ad will be in the program or displayed on a banner for every one of these games. We invite you to share in the spirit of supporting IHS Football along with the hundreds of other supporters who attend our games.

Please take a moment to review the sponsorship material. I am happy to assist with the placement of your ad or banner if needed. If you have any questions, feel free to contact me or any of our players.

The deadline to place your ad is Monday, August 1, 2023. However, if you can make your commitment by July 22nd, it would help us considerably with production.

Thank you in advance for your consideration.

Doug Moss
