

ATHLETIC DEPARTMENT

PARENT PERMISSION FOR ATHLETIC PERIOD OFF-CAMPUS PASS

Dear Parents,

Due to the large number of athletic programs, and limited facilities, certain teams will be required to practice after the traditional school day ends. Students should check in with their assigned teacher prior to leaving campus after lunch. This sticker **does not allow them to leave during the lunch period.**

In order for your athlete to leave campus under these circumstances, OUSD requires that parents sign a waiver to grant permission for students to leave campus after lunch.

If you DO NOT want your students to leave campus, there are supervised facilities where students can go.

Students may transport themselves to an offsite venue with parent permission, but are not permitted to transport fellow students. Students must be picked up and transported to the offsite venue by a parent or guardian or an approved OUSD driver.

Please sign and date this form if you grant permission for your student to leave during the school day. A sticker will be placed on their ID card identifying them to the administration and security staff.

Thank you.

Sincerely,

Mrs. Ashley Higuera
