Pool Play:

2 games to 25 with cap at 27, team listed first will serve the first game.

Next match will start right away so please have your team ready courtside.

Playoffs:

The top 2 teams in each pool will be seeded in the gold single elimination playoff.

The bottom 2 teams will be seeded in the silver single elimination playoff. Playoffs will be best of 3 games to 25 with cap at 27, 3rd game to 15 with no cap. The higher seed will have choice of serve or receive to start the match, coin flip if match goes to 3. Please be ready to work the playoffs if you are not playing or have lost.

I will try to make it so teams will not play a team from their own pool at least in the 1st round of the playoffs. Other than that 1st place teams in pool play are seeds 1-3 and 2nd place teams are seeds 4-6.

Those teams will then be seeded based on the following:

1. Record
2. Total point differential
3. If there are still ties after that we will seed tied teams based on the following:
seed 1 is south pool, seed 2 is middle pool, seed 3 is north pool

Awards:

1st place in Gold and 1st in Silver will receive a plaque.

Concessions:

Cold drinks and limited items will be available – no food or drink in the gym or stands.

Trainer:

Our athletic trainer will be available during the tournament.
