

Ready for The Easiest Fundraiser on the Planet?

Coaches message to Parents,

We are excited to be using Blast Athletics for our team communication, fundraising and to share videos, photos and more. Blast does a lot for our program, please sit with your child and make a list of 20 contacts to reach out for potential sponsorships for our program.

Every Parent and Athlete should watch this video to understand all the features:

Parents Must Watch: https://www.youtube.com/watch?v=QRFo_Y_Qx4c

- No selling candy, popcorn, cookie dough or coupon cards - No more going door to door begging for money - Don't have to collect cash
- Sponsors get to follow your season - Receive pictures, highlights, scores & more throughout the season - No money out of pocket

Every parent also needs to:

Join our team page AS YOURSELF! Do not join as your child, they will create their own account.

Download the App: Search for "Blast Athletics"

Verify your cell phone number, we will be sending text communications through Blast.

Post videos, photos and update the score at games/events.

Don't Worry:

Blast will not share the contact information you enter for the fundraiser with anyone, nor will they spam your list.

Family and Friends love donating to Blast because they get to follow along with our season, based on the content we post! You are not asking for money, you are inviting them to be part of our season.
