

# Your Student Has Been Chosen

by

All across Southern California students are being selected to become **Ambassadors of Compassion** as part of an interactive journey that **builds leadership and personal resiliency** into the lives of students.

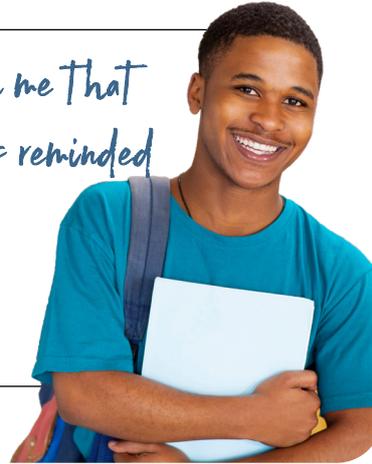

These social-emotional courses, **AOC LIFE** and **AOC RISE** are 100% on-line, worth a total of 10 credits, and California Common Core aligned\*. **These classes will be provided at no cost to students** upon enrollment with our public school partner Virtual Preparatory Academy.

The program is called **Ambassadors of Compassion (AOC)** and is designed to **foster growth and success** in all aspects of a student's life and future. Students will gain a set of skills that will impact the rest of their lives.

The criteria for student selection is based upon being nominated by teachers who believe in your student and trust that students will not only profit from this program but will also **impact others** with their new personal leadership skills.

*"The AOC experience has reinforced qualities in me that can make me a greater leader and example. It has reminded me that life can be tough but it is up to us to persevere through obstacles!"*
