

Torrance Football Count On Me Program (Senior leadership)

Count On Me is a team building/mentoring program that will allow our players to build within the 3 pillars of our program: Accountability, Integrity, and Unity. These pillars are most effective because holding players accountable is key to having a successful program; unity allows everything to flow. Integrity is the rock of the foundation because it keeps everything together. Count on me will allow us to make it bigger than football by being able to connect in ways that will help create a strong identity for our team. Focusing on these essential pillars, our players will be able to be an inspiration to one another by sharing their life experiences on and off the field. Over the years of being a coach, this helped me gain the trust of players because they were able to relate to my experiences. It gives them a sense of hope that whatever they're going through or whatever they strive to be is possible. Also, this program will give our seniors a chance to be an inspiration and motivator to the up and coming football players in our program. Our seniors will learn to be humbled servants so the freshmen student athletes can indulge in our ALL IN identity which will help our chances in retaining players.

How we will achieve this

Our senior leaders will host zoom meetings EVERY FRIDAY with their respective position groups! I'm giving our seniors full control on how they want to impact our incoming players/newcomers to be able to leave a legacy before the graduate. There will be a coach present to monitor these meetings. However, we're giving our seniors full control. It's always been a goal of mine to have this program running within our team, I'm excited for our senior leadership to get this going! Attached is our Senior leaders contacts, zoom ID, passcodes, and start times for their meetings. **We're making these MANDATORY SESSIONS so we're asking all our freshmen/newcomers to attend!**

Go Tartars,
Coach Carter
Head Football Coach
