

ATHLETIC DEPARTMENT

PARENT PERMISSION FOR ATHLETIC PERIOD OFF-CAMPUS PASS

Dear Parents,

Due to the large number of athletic programs, and limited facilities, certain teams will be required to practice after the traditional school day ends. Students should check in with their assigned teacher prior to leaving campus after the 3rd/4th period.

If you DO NOT want your students to leave campus, there are supervised facilities where students can go until the school day ends.

Students may transport themselves to the offsite venue with parent permission, but are not permitted to transport fellow students. Students must be picked up and transported to the offsite venue by a parent or guardian or an approved OUSD driver.

Please sign and date this form if you grant permission for your student to leave during the school day. A sticker will be placed on their ID card identifying them to the administration and security staff.

Sincerely,

Sincerely,

Mrs. Ashley Higuera & Mr. Nate Harrison
Canyon High School Athletic Directors
