## Meet Entry:

All entries will only be accepted from Hy-Tek's Team Manager. Don't forget to enter a "Best Time". Once you have completed your entries, email the file to [ewolgast@usd266.com](mailto:ewolgast@usd266.com). I would recommend that you email these early so that we can identify any problems you might be experiencing a.s.a.p. If you send me entries several days prior, but choose to make changes, send me your entire entry file. I will just overwrite your previous entry file with your new one. Changes can be made anytime all the way up to the deadline. Entry deadline is **December 4 at 12:00 pm**. It is recommended that coaches bring a backup of their entries on flash drive so any changes might be uploaded that morning. Results will be available at the conclusion of the meet but they will also be sent out via Team Manager so that you can import them into your database.

## Dressing Rooms:

Changing facilities will be available. Please remind your swimmers to bring their own towels and combination lock to secure their valuables. Also, please note that your athletes are to use the youth locker room, NOT THE ADULT LOCKER ROOMS.
