Injured in the last seven days of play?
Visit our board-certified physicians for
an evaluation and injury treatment.

Accepting New Patients

We are open to all high school athletes in the area, regardless of school affiliation.

You may be referred for additional testing, to consult a specialist, or provided a prescription for therapy.

Major Insurance Plans

We accept major insurance plans, including Medicare, and most PPOs.

If referral is made, you will be given the choice of where to follow up and your insurance will be billed.
