

Holt Varsity Track Invitational

Updated Information

Saturday, April, 3rd, 2021

Coaches, we are not limiting our number of teams but we are going to change the entries to 2 per event instead of 3. We are going to ask teams to remain in their tent area during the meet and only go to their events when they are competing. We will have a concession stand but it will be limited. I will send a complete list of what we are offering after I meet with the boosters later this week

Spectators will be limited to immediate family.
