

## Millikan High School

Dear Millikan Parent,

Due to the pandemic and limited capacity within our classrooms/practice facilities, Millikan High School is allowing student-athletes to leave campus at the start of their athletic team period. Student-athletes will be expected to attend their team's practice at a later time. Please review the details below and sign this document if you give permission for your child to leave campus early. If you choose not to sign this waiver, your child will attend class during their athletic team period.

---

I, \_\_\_\_\_, give permission for my child, \_\_\_\_\_,  
Parent/Guardian Student Athlete

to leave campus during their athletic team period (1:14 PM on a regular day schedule). I understand that my child must check in with his/her teacher of record for attendance purposes before leaving campus. I also understand that the coach will take roll, at practice time, which is shared with my child's teacher of record. Lastly, I understand that it is my responsibility to check for emails, team website, and/or reminder text blasts to remain informed of my child's practice schedule.
