## Eastern Conference Statement Regarding Expeditions at Playoff Contests

ONTARIO, CALIF. - The first round of the playoffs is set to begin in a few days; let's make this an enjoyable experience for our student-athletes. I would like to congratulate all the teams entering into the playoffs, especially, those teams that are playing in the conference for the first time; great job! It's Playoff Time – I don't need to say any more than it's playoff time! Huge games. One team advances and one team's season ends. With that stated there are some housekeeping issues that need to be addressed.

Over the past several weeks there has been a disturbing trend exhibited across our Conference; activities of sideline staff violation, threats fighting, and threats of retaliatory actions that have disrupted, postponed and cancelled games due to inappropriate behavior, both on the field and in the stands and parking lots. These actions have NO PLACE on our Conference.

While the Conference applauds the actions and steps taken by our Chapters to prevent a reoccurrence of such disappointing behavior, it is appropriate to remind all of our Chapters of the Operating Policies, Regulations and Playing Rules of as we begin the playoff season.

**Conference reserves the right to deny a Chapter participation in Playoff/Championship Games regardless of their status as qualifiers if these important standards are not met or if rules are violated.**

Everyone involved in competition including parent(s)/guardian(s)/caregiver, spectators, Chapter Staff, and all members of the Conference have a duty to honor the traditions of the sport and to treat other participants with respect. Coaches have a special responsibility to model respectful behavior and the duty to demand that their student-athletes refrain from disrespectful conduct including verbal abuse of opponents and officials, profane or belligerent trash-talking, taunting and inappropriate celebrations; There will be a ZERO TOLERANCE for these actions.

**The Director of Football Operations and/or Executive Board shall have power to suspend, to fine or otherwise penalize any Chapter for the violation of any Conference rules and regulations or for just cause.**

If a rule is not covered by our rule book, then The National Federation of State High School Associations (NFHS) the body that writes the rules of competition for most high school sports in the United States rules will be the controlling rules.

Playoff admission is as follows: \$7 for anyone over the age of 12, \$4 for anyone between the ages of 5 and 11, free for anyone under the age 5, as well as, players in their team jersey or cheerleaders in the cheer tops; it must a recognizable team uniform from our league. Presidents and the Chapter AD are exempt. Only individuals on the 8-person team roster for the team competing are exempt.

Only coaches and staff wearing a current 2018 field access passes will be allowed on the field. Only staff members permitted on the field during each division must be identified as Division Staff that is currently playing.

A full snack bar available throughout the day at each hosting site. No personal coolers or outside food/drink will be allowed on fields. Please support hosting fields snack bars.
