

2021-22 JSerra Basketball

Parent Meeting August 17th 7pm

Why JSerra?

■ JSerra Mission: Faith, Intellect, Character

Be here for the whole school, not just the basketball program. Embrace the school, our staff, our players, our teachers, & administration.

Purpose Statement

- **1 Timothy 1:5** "The purpose of my instruction is that all believers be filled with love that comes from a pure heart, a clear conscience, and genuine faith." As the JSerra basketball coach I can teach these boys life lessons through sports that will help shape the men they become one day. With love that comes from a pure heart, a clear conscience, and genuine faith I want to develop a culture that helps give students an eternal perspective in everything they do on and off the court. Reminding them that they are working to represent their family, their school, but most importantly their Savior. I will communicate with purpose, teach with patience, develop with positivity and mentor with selflessness to help these student athletes achieve success on and off the court.

Prepared For The Next Level

- We want our players, not matter what level, to be as prepared as possible to succeed at the college level. We want to build a reputation that college coaches can say those kids at JSerra know how to play. In return, they can enjoy 4 year careers & get their DEGREES.

Some paths may include junior college, prep school, etc. to get to where you want to go! THAT'S OKAY! It is about the foundation.

- In order to prepare them for that...IT STARTS NOW!

8 guys in the last 3 years

LIFE SPORT

- Most students will not play college basketball, but this is a great game where we want kids to be kids and HAVE FUN.
- This is something you can do and play for a long time. Just like tennis or golf. It starts here!
