

To Whom It May Concern:

Mater Dei High School in Santa Ana, California is preparing for our Annual Boys Soccer Fundraiser on November 5th, 2021. We are reaching out to local businesses asking for your support by donating to our fundraiser. Your support and contributions will help with the continued success of the Mater Dei Boys Soccer Program.

This event is a major source of income for our program. It has allowed us to compete and excel at the highest level of competition. We want to continue offering the best soccer program to our students building strong, confident, cooperative, and hard working athletes.

As always this is a "work in progress" and our future depends on the support of our community. Your donations provide a gateway for contributing to our future and an opportunity to provide our talented coaches with the resources necessary to develop our student athletes into champions.

Thank you so very much for considering a donation to our fundraiser.

Sincerely,

Sean Ganey
