##### Entries:

**Entries per individual shall be according to rule 3-2-1.** Each school shall be permitted a maximum of 4 entries in an individual event. Each school shall be permitted a maximum of 2 teams per relay event, only 1 relay team may score team points and the coach must designate at the time of entries are due which team is to be used in scoring. The second relay team must be entered as "exhibition". By Rule 3-2-1: **A competitor shall be permitted to enter a maximum of four events, no more than two of which may be individual events. An exhibition swim shall count as one of the four allowed entries, does not score points, but may count as a qualifying time.**

**Set up your Team Manager meet to include Event 5 as 11 Dives.**

Any non-league swimmer or diver, from a non-league high school, who has been a member of a league team, has the opportunity to participate for an officially recognized KSHSAA time or diving score, but may not participate in any event for league points. Non-league swimmers may not be relay team members of the host school. All non-league athletes will be entered as EX in Team Manager Entry files and will be seeded into the individual events. It would be a good idea to include a separate note listing those swimmers/divers, their schools, and their events along with your e-mail entry file for the host team.

##### Meet Entry:

Diving entries will be accepted via **eDive**. Here is the link to submit your [eDive Entries](#). Entry deadline is **May 12th at 12:00PM**. Email dive entries to Heather Richardson at [hrichardson@usd266.com](mailto:hrichardson@usd266.com).
