## **STAFF TRANSPORTATION POLICY**

*In any case that Maroons Baseball Club Staff are asked or have to transport players the following policy will be followed:*

### **Policy:**

- The driving staff member(s) will have a valid driver's license on file with the MBC directors.
- The number of staff members and players will not exceed the allotted number of people that can safely be transported.
- There will be all efforts made to have two adult-age staff members in the transport vehicle when player(s) are being transported by staff, although under some circumstances this may not always be possible.
- There will be all efforts made to have a minimum of one staff member of the same sex as the player(s) being transported.
- Pick-ups and drop-offs should be made at a public, neutral site such as the high school, if possible. Parents/guardians are responsible for punctual pick-up and drop-off.
- Requests for staff transport may be made a **minimum of one day prior** to game day. Requests must be submitted via email, by a parent/guardian, which will also act as permission for transportation.
- This policy does not apply to the transportation of biological, immediate family members of MBC staff and players.
- Only MBC staff and players are allowed to be transported by MBC staff.

*Staff members are not financially liable for any costs, including possible food stops, of an MBC player. This policy has been issued to all players and parents/guardians. Any granted requests for transportation will be in accordance with the policy above. By utilizing any form of MBC staff transportation, non-MBC parties involved are agreeing to not sue the Maroons Baseball Club. The Maroons Baseball Club Staff holds the right to decline or reject any requests made at any time.*
