The player club fees to CFC Liverpool for the **Summer 2018 to May 2019** season are as follows; these fees are not inclusive of uniforms:

USD

The initial deposit of \$150 USD must be made at the same time this contract is signed and turned in. Additional payments of 245.83/163.88(____ **initial**) are due by the 5th of the month following the signing of the contract and fully paid by May 30th 2018. If players join the club later, they must be fully paid by the end of April.

Players in the age group of U14 - U19, the team will break during the high school season. Those not playing in high will continue training with the coach. Registration fees are used to cover the cost of Coast Soccer League team registration, CYSA-S Fees, Club operating costs, coaching fees, goalie training, entry fees into the CFC Liverpool tournaments based on age appropriateness, and discounts for entry to other tournaments as announced by the Directors of Coaching. All club fees are collected and paid directly to the Club Treasurer. **The Club fee is non-refundable once the contract is signed and the deposit is paid.**

Each team will be responsible for additional fees which will be divided up amongst families of that respective team. These fees include but are not limited to: tournament fees, Coach's traveling expenses for tournaments as needed, and referee fees. Each family will also separately purchase as needed: uniform package (basic package included home jersey, away jersey, shorts, socks, practice jersey, numbering and a backpack - each team will determine if they will additionally purchase sweatshirts, warm-ups, and/or a ball, as per club requirements. Team fees are separate and will be billed by each team.

I understand that the Team budgets can range depending on tournaments and team requirements. Teams may decide as a group to purchase items such as team bench flag, or accessories beyond the basic uniform. Each team administrator or manager will provide each member with a budget at the beginning of the year along with a payment schedule. Signing of the contracts recognizes a commitment to the team fees and is non-refundable. As the season progresses, teams may decide as a group to add additional events or expenses that will be an addendum to the original schedule and will follow the same obligations. A payment schedule can be established to ease the financial burden, if you need installments toward the financial amount that is offered separate from this contract. This does not negate the obligation to pay the fees in full.

If membership fees are not paid on or before the specified dates or other payment arrangements have not been made with CFC Liverpool and approved in writing by the CFC Liverpool Club President or Vice-President, the player will not be allowed to participate in practices, games, or tournaments with any CFC Liverpool team or other CYSA-S Team until all fees are paid.

The parent agrees to let the club treasurer and/or head coach know if they will have any difficulty paying membership fees on time. Arrangements can be made to pay with credit cards as well.

I agree to the allow the child named above to participate in the CFC Liverpool Program, and I understand that the membership fee is NON-REFUNDABLE.
