

Hello, my name is 'Coach name', head coach of the 'School sport' program. I wanted to personally let you know how much our program is looking forward to our upcoming season, and how excited we are to have you be part of it.

Head Coach

In preparation for our
season,
we are using Blast Athletics
to fundraise online.

For your safety and ours,
online fundraising is the best
option,

and also the most crucial
to our programs success.

Blast Athletics is simple.

Click the Yellow donate
button,

pick your favorite athlete.

You will see instructions on how to donate online with your credit card or how to mail a check.

After you have donated,
we want to keep you
involved and follow our
season like never before.

The Blast program has the
ability to post

schedules, scores, videos,
pictures and more.

The coverage we post will
get combined then emailed
to our donors each week

keeping you updated with
our season and your favorite
teammate.

Donations above a \$100 will
receive a personal thank
you video from the athlete
you sponsored.

Thank you for your
donations!

A few of my teammates
wanted to say hello.
