

Hello, my name is (COACH NAME),
head coach of the (SCHOOL, SPORT)
Program. I wanted to personally introduce
myself and my amazing group of student
athletes, as well as let you know how
important the support of family and
friends is to our program.

Coach

Hello my name is _____

I am _____

and my name is _____

and as (*captains* or *leaders*) of the (*School/Level/Sport*)
team, we would like to welcome you to our fundraiser.

In preparation for our season,
we are using Blast Athletics to
fundraise online.

High school sports programs
are becoming more expensive
each year,

So fundraising is an essential
part of our program's success.

Blast Athletics is simple.

Click the Yellow donate button,
pick your favorite athlete.

You will see instructions on how to donate online with your credit card or how to mail a check.

After you have donated,
we want to keep you updated
with our season.

Our program has the ability to
post schedules, scores, videos,
and pictures directly to Blast.

The coverage we post will get emailed to our donors each week.

Keeping you updated with our
season and your favorite
teammate.

Entire Team:

Thank you for your donations!

Welcome to the (school/sport)

Family with Blast Athletics!
